### FESDEF Gives Back

FESDEF is pleased to announce our donations for the 2009/2010 school year. Our first year has been an incredible journey. We raised over \$40,000 since August 2009. Our success for a one-school district education foundation has earned recognition and praise throughout Northern California. The FESDEF could not have accomplished this degree of success without the support of our parents, teachers, administration and community.

In addition to the Mini-Grants which were awarded in November to twelve applicants for a total of \$5,750, the FESDEF is supporting the following programs during the 2010/2011 school year.

**Music Performances Stipend—\$1,200**

**After School Sports Program -  
Coaches Salaries—\$12,796**

**Chess Club Stipend—\$1,300**

**Art Instruction and Supplies—\$8,000**
