FESDEF Gives Back

FESDEF is pleased to announce our donations for the 2010/2011 school year. Our first two years have been an incredible journey. We raised nearly \$80,000 since August 2009. Our success for a one-school district education foundation has earned recognition and praise throughout Northern California. The FESDEF could not have accomplished this degree of success without the support of our parents, teachers, administration and community.

Thanks to parental, teacher and community donations to FESDEF through fundraisers including *Fiesta into the Night*, Club 180, Bulldog Boutique, Schwan's and Scrip, FESDEF has been able to fund programs that were cut from the 2010/2011 school budget.
